

# Reveal 16i

REVEAL YOUR TRUE POTENTIAL. REVEAL THE WORLD.

Looking for the next generation of low-vision solutions?  
Presenting Reveal 16i, the unique, smart, intuitive, and compact foldable magnifier.

**BE SMART,  
BE CONNECTED!**

Video chat with your best friends and loved ones using your favorite applications, check your emails, watch your shows on YouTube, listen to your favorite podcasts on Play Music... All these activities are made easy with Reveal 16i.

Enjoy your favorite entertainment or download all you need to be productive! Just log in to your Play Store account, then pick and choose among the different available Android applications.

Do you prefer having your favorite magazines read to you? Now you can! Reveal 16i allows you to have all printed material read to you thanks to its integrated Optical character recognition (OCR) and Text-to-speech (TTS) capabilities.

Reveal 16i is so smart, you can open your favorite books and take digital notes before sharing them with others.

Reveal 16i is an ideal tool that adapts to you rather than you to it. It has an integrated touchscreen allowing you to customize your experience. Use the touchscreen like you would with a tablet or use the buttons. The choice is yours!

Don't worry about staying up-to-date, your new smart Reveal 16i does that on its own thanks to the free automatic software updates.

Reveal 16i is truly the next generation low-vision magnifier and your personal computer rolled into one.

# ONLY ACCEPT THE BEST!

Reveal 16i reveals the world in all its glory through its large, 16-inch screen equipped to deliver uncompromised image quality thanks to 10x optical zoom camera. It enables you to read books, newspapers or any other documents. It will make reading enjoyable again, even for long periods of time, without tiring your eyes! Enjoying the beautiful scenery unfolding outside is also possible thanks to the distance viewing camera. Just point the camera in the right direction.

## EASY TO USE, EASY TO STORE!

Reveal 16i is ergonomically designed to be easy to fold, carry and store. Easily store Reveal 16i when not in use or bring it with you as needed by using the optional carrying case. It's compact, lightweight and takes little space.
